Layout

The entrance to the South Perth Community Hall includes a ramp to the side of the main door, highlighted below.

The library next door is open and available if a quiet space is needed. An accessible toilet is available in the toilets outside the main hall space, as highlighted on the floorplan below.

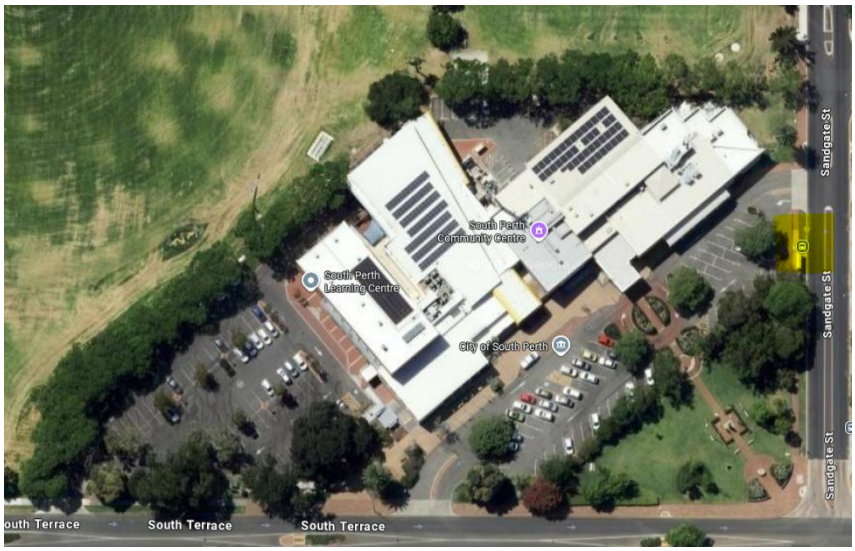

Transport

Parking is available to the front and side of the hall. A drop off zone is available outside the main entrance, highlighted on the map below:

The closest bus stop is on Sandgate Street, and is serviced by the Route 34 bus:

Concert

The concert is 45 minutes long with no interval, followed by a light afternoon tea. Audience members are welcome to eat and drink food they have brought with them during the performance, and are welcome to move, talk, and leave the venue as needed.
